

The Museums of Champaign County, Illinois

The Champaign County Museums Network (CCMN) empowers members by forging connections that encourage best practices among museums and museum professionals and promotes each institution as relevant, engaging, and integral members of our community.

Formerly known as the Museums at the Crossroads Consortium, the Network's new name expresses its desire to reflect the relationships its museums have built and continue to build with teachers, volunteers, emerging museum professionals, librarians, media representatives, youth leaders, and members of the general public. By becoming a CCMN member or partner, you will have a sustained voice in how the museums of Champaign County grow in their service to their many and varied audiences.

Membership is defined in the levels designated. Each has its own benefits and commitments. Find the level that is appropriate for you.
